"Exploring the harmony between logic and art—writing syntax and lyrics alike."

Summary

Developer & Creator who enjoys juggling code, ideas, and music. Passionate about deep focus and curiosity, exploring the intersection of technology and creativity. I write syntax and lyrics alike, finding rhythm in both code and music—creating harmony between logic and art.

Experience

Xav Technologies   *Nepal*
WEB DEVELOPMENT INTERN   *Apr 2025 – May 2025*

- Built responsive React UI components and pages with modern patterns and clean component architecture.
- Applied UI/UX best practices, accessibility considerations, and iterative feedback into production features.
- Collaborated via Git workflows (branching, PR reviews) and contributed to real-world deliverables.

Projects
